LETTER REQUESTING CORRECTION TO FILING RECEIPT

This is in response to the filing receipt dated 01/10/2002.

Please make the following correction to the FILING RECEIPT:

Correct the filing date to November 20, 2001.

This correction is marked in red on the attached filing receipt copy.

Applicant's attorney attempted to file this application via Express Mail on November 20, 2001, however, on that date the United States Postal Service (USPS) refused to accept

the deposit of mail for delivery by Express Mail service. Per the instructions provided by the U.S. PTO website at www.uspto.gov/september11/uspsmaildisrup.htm, the application was re-deposited with the USPS on November 20, 2001 as first class mail, and was mailed to the Assistant Commissioner for Patents at the special "Box Filing Date" address. Per the PTO's instructions, a statement signed and dated by the person who originally attempted to deposit the correspondence with the USPS as Express Mail was included, explaining the above situation. A copy of said statement is enclosed for reference.

As the US PTO has designated this interruption in the Express Mail service of the USPS as a postal service interruption within the meaning of 35 U.S.C. 21(a) and 37 CFR 1.6(e), and the special emergency procedures provided by the US PTO were correctly followed, applicant's attorney submits that this application is entitled to the November 20, 2001 filing date.

It is respectfully requested that a corrected filing receipt be promptly issued that accords this application a filing date of November 20, 2001.

Respectfully submitted,
